

Alma-Danmark

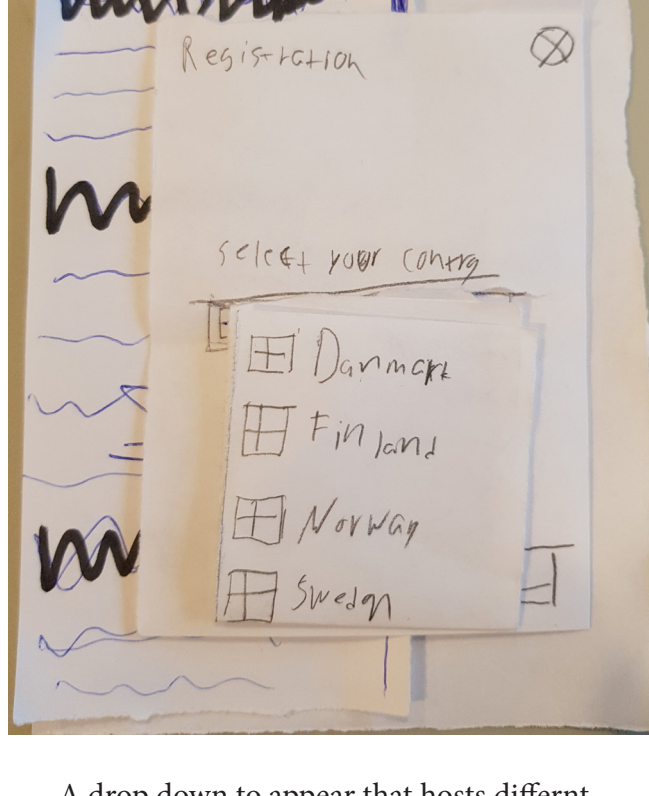

She clicks the hamburger menu

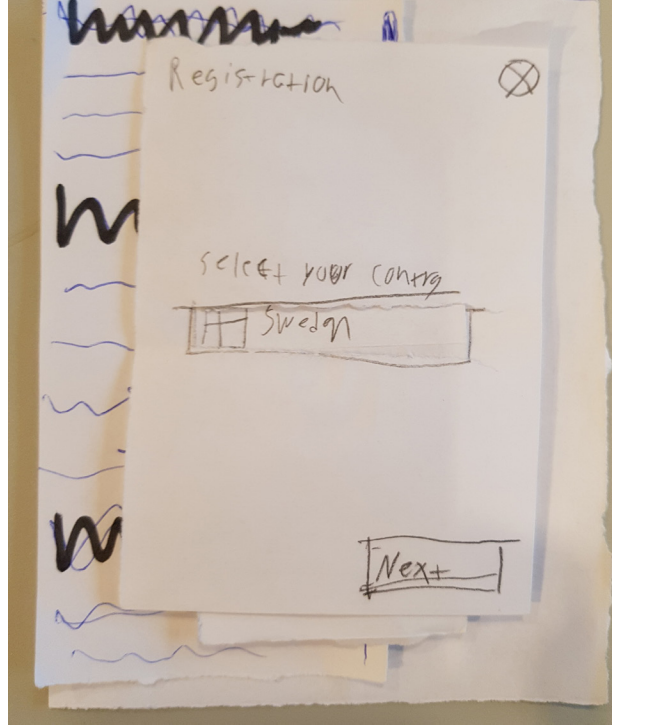

She clicks register account
The menu appear from top left corner

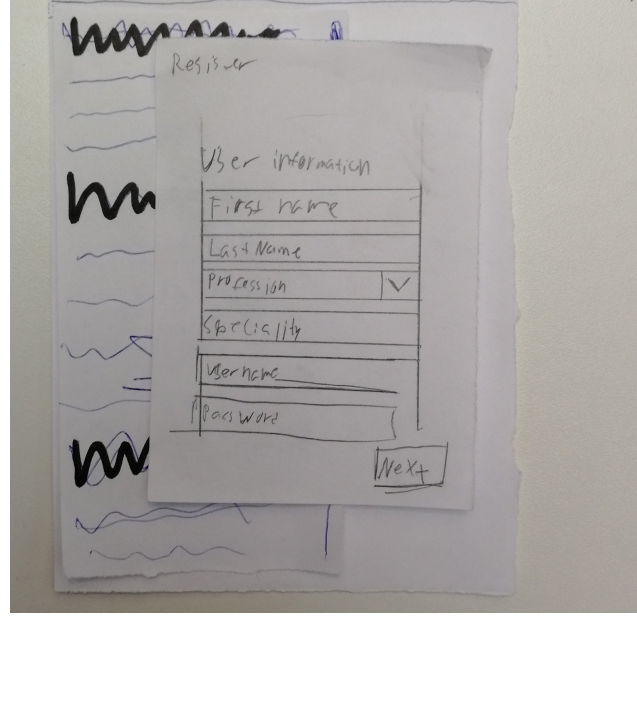

She presses the arrow

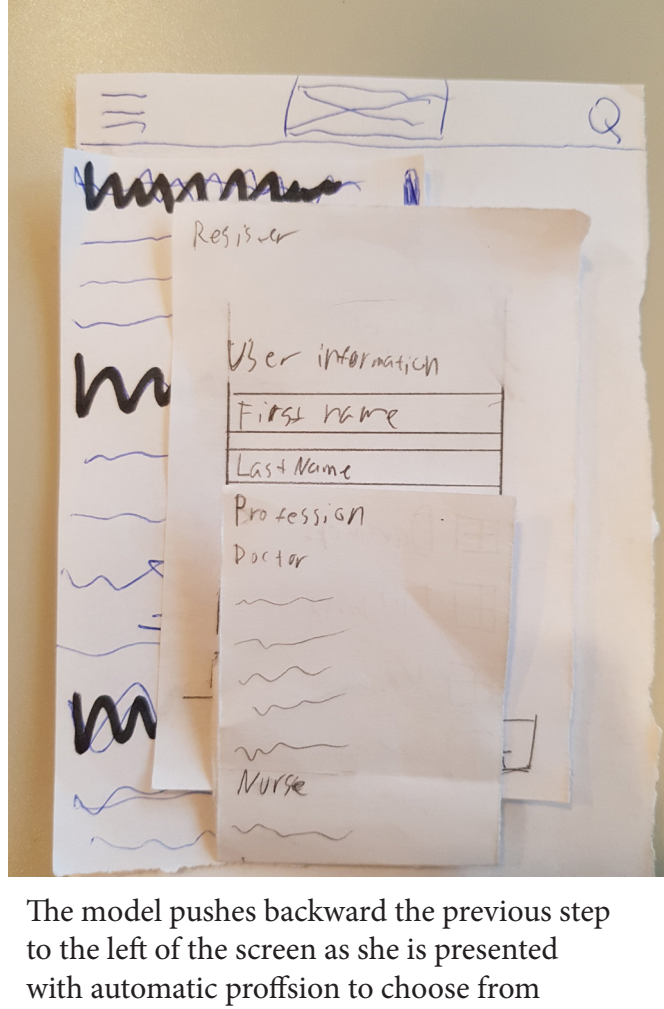

A drop down to appear that hosts differnt countries appears

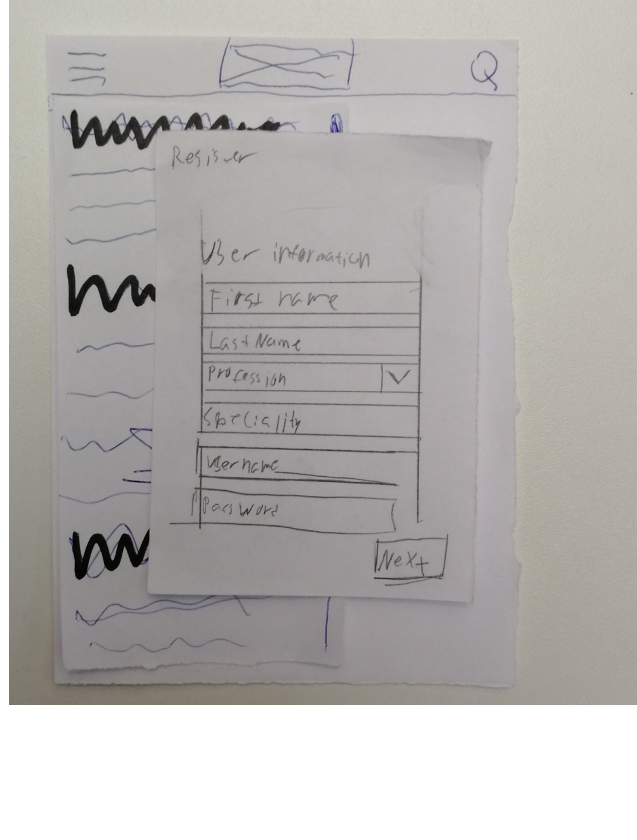

She selects Danmark then Clicks Next button

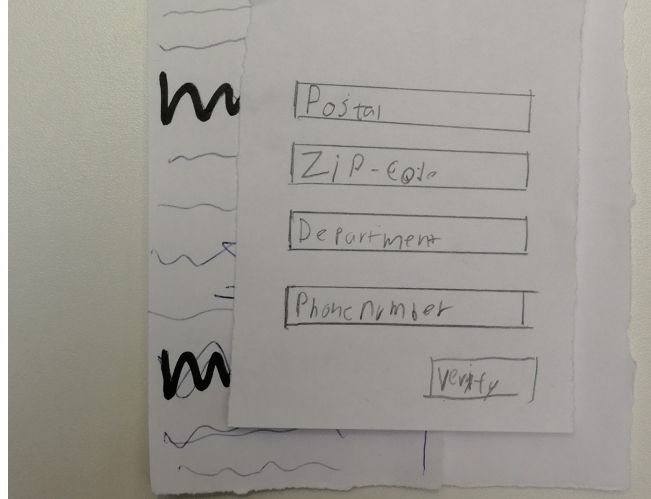

She fills in her First and Lastname. then cicks on the proffesion arrow

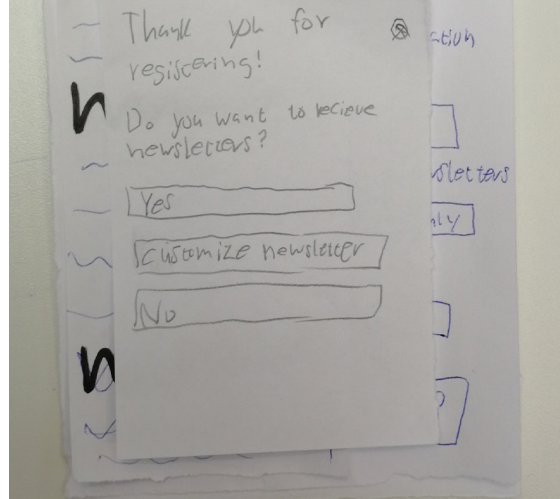

The model pushes backward the previous step to the left of the screen as she is presented with automatic proffesion to choose from

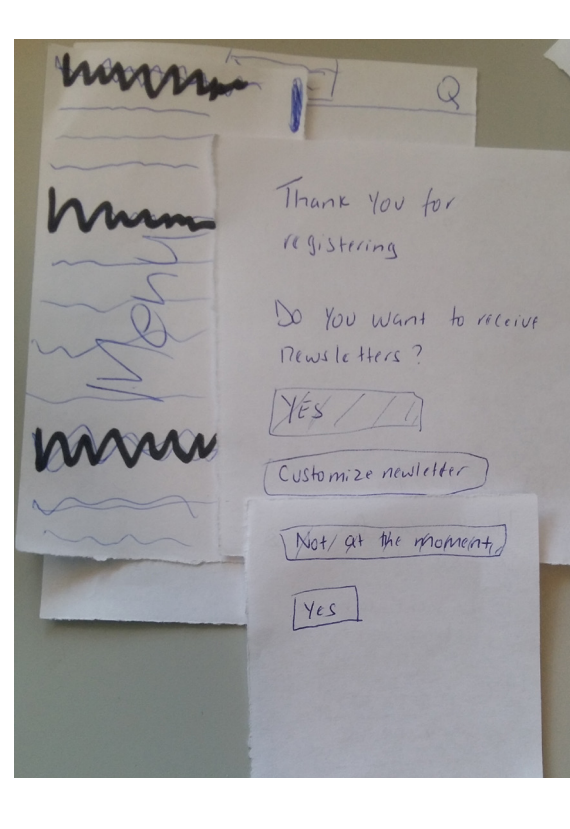

Here she contious to fill in her username which is her work's email, and password. She clicks NEXT button

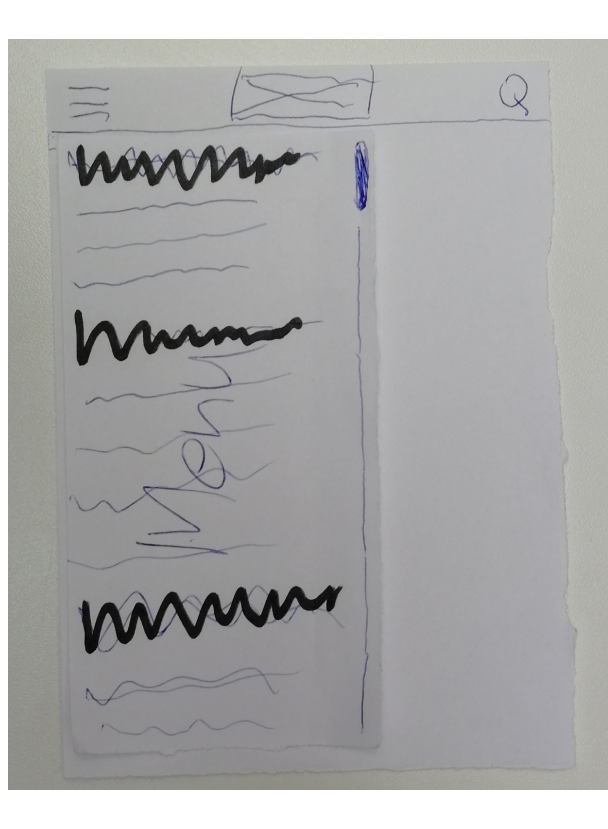

Here she fills in her postal address, zip-code, department, phone number and clicks VERIFY button

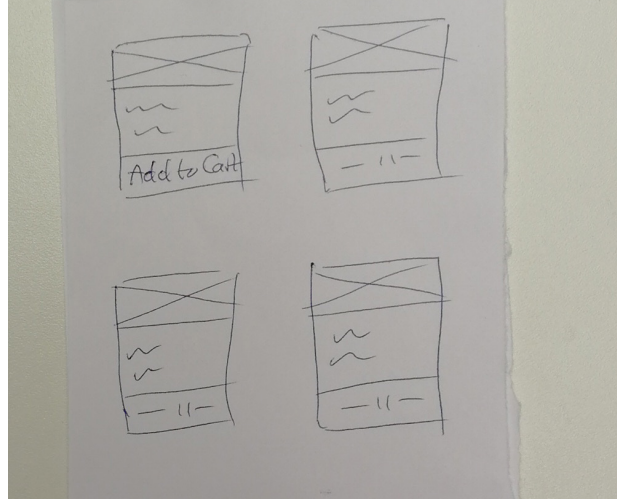

A prompt message thanks her for registering. The next question asks asks her if she wants to get newsletters. She clicks YES

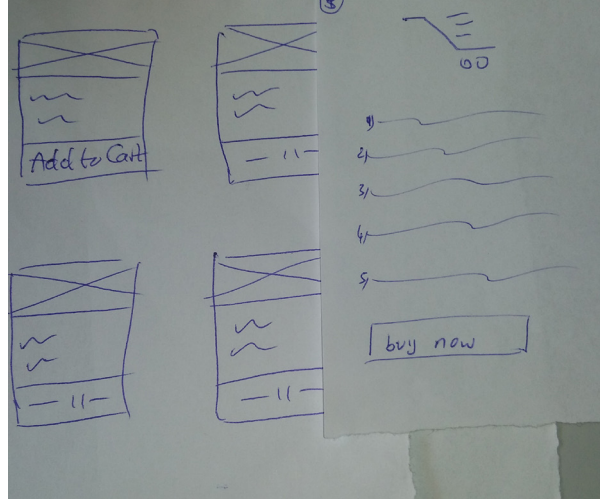

When she clicks customise newsletters, a small pop up message appears and she chooses, not at the moment. The box diasappear

She comes back to the start page with menu. She clicks on PRODUCTS

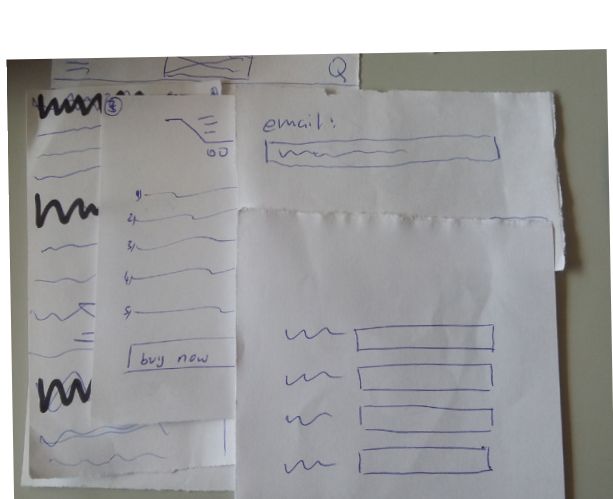

Amenu category appears. She clicks to order diabetics medications then clicks ADD TO CART

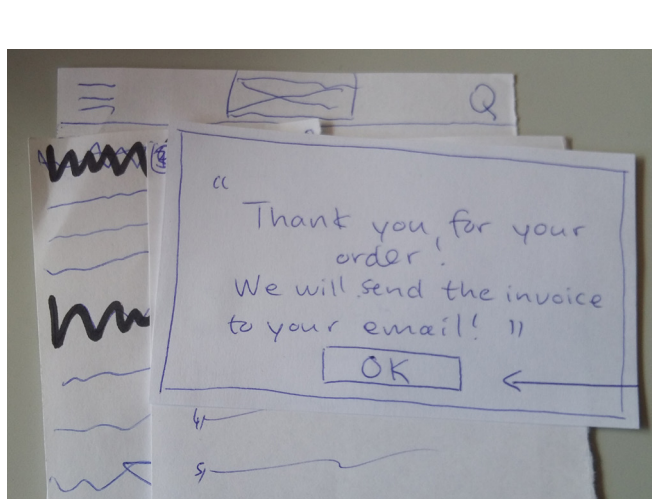

She clicks on the cart and see the whole list of things in the cart.

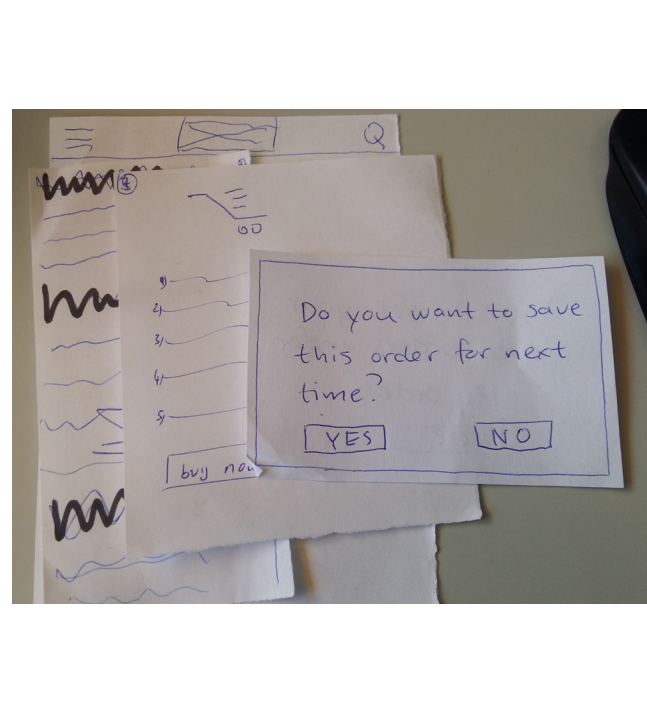

She checks her cart and everything she ordered is in there. She then clicks BUY NOW button

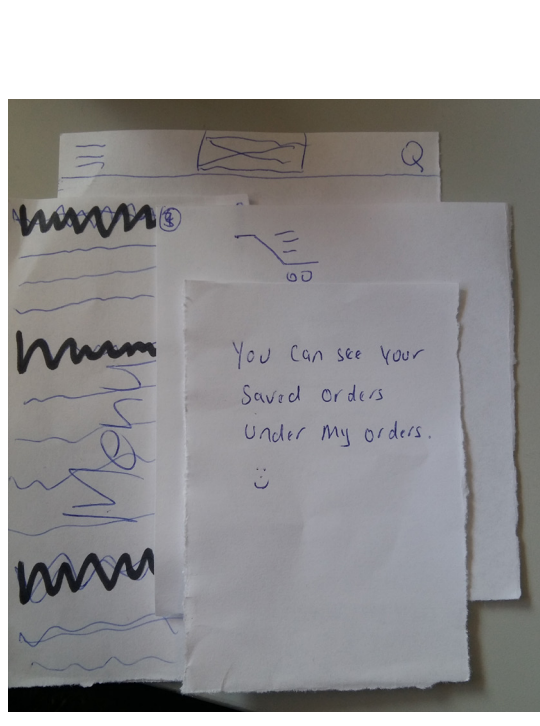

After clicking buy now button, a pop up messages comes up asking her to confirm order

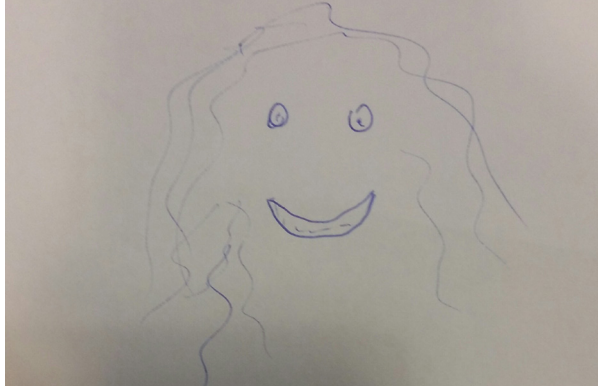

When she confirms a new pop up thanks her and tells her that an invoice has been sent to her email.

Another pop up message ask her if she wishes to save her order for next time?" She clicks "Yes"

A notification tells her that her order has been saved and that she can see them under my orders

Lastly she is happy and goes to walk her cat as she smokes a cig!
